MISSIONARY MOMENTS

Dear Prayer Partners,

Greetings. Thank you for your partnership with North India Christian Ministries. God is doing great things. Your prayers and financial support made a difference last month. In the villages lives are changing; sinners are coming to the Savior, idol worshippers have become the real worshippers of the Living God. Sick people are getting healed and God's name is glorified in several villages. Each and every opportunity we get, we proclaim the good news of our Lord Jesus Christ. He is still in the business of saving people, and bringing them from the darkness to the marvelous light of Jesus.

This all happens because you stand with us in prayer and support. Without your partnership we cannot do this. As Paul says, "we are God's co-workers", 1st Corinthians 3:7-9. The one who plants and the one who waters are working with God. It is God who matters, because He makes the plant grow. There is no difference between the one who plants and the one who waters; God will reward each one according to the work each has done. For we are partners working together for God, and you are God's field.

Thank you for your heart for the mission.
 Abraham Philip, NICM
