**Scripture Memorization, August**

Luke 6:31

*Just as you want others to do for you,  
 do the same for them.*

**MISSIONARY MOMENTS**

Dear Prayer Partners,

The following are some testimonies from the **Florida Baptist Convention Cooperative Program**:

A deaf Southeast Asian missionaries writes: "One by one, slowly, the deaf in Southeast Asia are abandoning their Buddhist rituals and turning to the one true God. Two deaf missionaries trained deaf Asians how to craft Bible stories into their Sign Language. Seven Bible stories were completed, filmed and uploaded to a phone application. These deaf now have access to seven Bible stories. While this is so incredibly promising, these deaf national believers have been hindered from returning to complete the stories. They must work long hard hours to provide for themselves and their families." The **Cooperative Program** supports this team of deaf workers within this vastly unreached people group.

Fue Chee Her, a second-generation Hmong, is a church planter in metro Minneapolis/St. Paul. The Hmong people are an Asian ethnic group from the mountainous regions of China and Southeast Asia. Recognizing that the spiritual needs of second-generation Hmong are different from first generation, he planted *Gospel Hmong Baptist Church*. This church is a contemporary church that worships, teaches and preaches in English because some young families have a difficult time understanding and speaking the Hmong language. As you support the **Cooperative Program**, pray that the second-generation Hmong will open their hearts and be receptive to the Gospel of Jesus Christ.
